Datasheet: AHP2277

Description:	RABBIT ANTI CD267 / BAFF
Specificity:	CD267 / BAFF
Format:	Purified
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	50 µg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Western Blotting	▪			0.5 - 4.0 ug/ml

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species

Rat

Product Form

Purified IgG - liquid

Buffer Solution

Phosphate buffered saline

Preservative Stabilisers

30% Glycerol
0.5% Bovine Serum Albumin
0.01% Thiomersal
5mM EDTA

Approx. Protein Concentrations

IgG concentration 0.5 mg/ml

Immunogen

E. coli-expressed recombinant rat CD267 / BAFF

D4A281 Related reagents

Specificity

Rabbit anti CD267 / BAFF antibody recognizes the CD267 antigen, also known as B-cell activating factor (BAFF) and TNFRSF13C (tumor necrosis factor receptor superfamily member 13c). BAFF is predicted to be a new member of the TNF ligand family and is implied to play a role in the B-cell response.

Western Blotting	Rabbit anti CD267 / BAFF antibody recognizes a band of approximately 20 kDa in recombinant rat CD267 / BAFF
Storage	Store at -20°C Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.
Shelf Life	12 months from date of despatch
Health And Safety Information	Material Safety Datasheet documentation #10584 available at https://www.bio-rad-antibodies.com/uploads/MSDS/10584.pdf
Regulatory	For research purposes only
